Why, THE STORY OF LITTLE MONICA, of course - a light and lustful romp through a pastel-colored land full of exotic pleasures!

One Cat Girl & Tons of Trouble!

After years away at school, Will has finally returned to his old hometown, Little Monica, to see his childhood friends. But it's far from the city of beauty and culture that he remembered. After being taken over by the diabolical Kajo, the city was turned into a place of debauchery and lust...and now, it's just the sort of city where a stripper like the famous feline beauty Meow can really haul in a lot of cash. When Will ends up as part of her sex show, he isn't about to miss out on his chance to make this kitty howl! Will he be able resist the city's new hedonistic lifestyle in order to restore Little Monica to the wonderful town he once knew?
